

# ROC VENTURE'S DENTAL HYGIENE PROGRAM

Here at ROC Ventures, we believe that children who show up to their checkups and have good dental hygiene should be rewarded and what better way than a free ticket to a MKE Wave and/or Milwaukee Milkmen home game!

About 1 in every 5 children ages 5 to 11 have a cavity, which is way too high for our liking! So we wanted to come up with a way to reward children for going to their checkups and brushing their teeth at least two times a day to prevent cavities.

### How It Works, It's Simple!

- Children ages 15 & under who attends their checkup from October 1<sup>st</sup>-March 1<sup>st</sup> will receive a form to fill out to redeem one (1) free ticket\* to a MKE Wave home game during the 2018-2019 season.
- Any checkup attended from March 4<sup>th</sup>-August 2<sup>nd</sup> will receive a form to redeem one (1) free ticket\* to a Milwaukee Milkmen home game during the 2019 inaugural season!  
\* Each child must be accompanied by a parent or guardian. Only one (1) free ticket per child and all tickets must be purchased together in advance.
- **It's free for your dentist office to join!**

Will you be a part of Beach Beach's Brushing Buddies Program and reward kids for having good dental hygiene?
