### Education:

- Graduate from Texas Christian University
- TCU Women's Soccer Team 4 years
- Studied Social Work at TCU

### Personal:

- I love soccer and sharing this passion of mine with the world! My own soccer career began when I was 6 years old and I have experience playing at rec, club, semi-pro and collegiate levels. Through this experience I have learned what it takes to be a successful player and how to lead on and off the field. My hope is to help inspire young athletes to discover their own passions and unlock their full potential.
