

The Western States Hockey League Presents:

The 17th Annual Western States Shootout

**All League Showcase and 2 All-Star Teams from
Canadian Premier Junior Hockey League**

Player Guide and League Information

December 19-21, 2017

City National Arena and SOBE Ice Arena

Las Vegas, Nevada

To all of the College Coaches and Professional Scouts:

The Western States Hockey League's Board of Governors, along with all 23 member teams and 2 All League Rep team from the Canadian Premier Junior Hockey League, are pleased to welcome you back to Las Vegas, Nevada, for the 17th annual Western States Shootout and College Showcase.

From humble beginnings, the Shootout has grown to the point that we now require two host arenas. New this year is the **City National Arena** the practice home of the **Las Vegas Knights (NHL)** are now joint hosts with the SOBE Ice Arena. We know that both facilities will provide the same kind of hospitality that our staff, media, coaches and scouts have come to expect. The 17th Shootout has brought out the largest number of college recruiters since its inception. This year, our players are showcasing their talents to over 93 colleges and universities, in addition to both national and international professional scouts.

Another pivotal piece to the Shootout's continued success, has been our partnership with the **Stratosphere Hotel and Casino**, which provides the WSHL, and our fans, with first-class lodging at a great price. Additionally, an all-inclusive meal program for all of our teams. We hope you enjoy your stay at the Stratosphere as much as we do every year.

We all know the fun that goes along with coming to Sin City, but the core purpose of this event is to showcase our players to college hockey programs from all over the United States, a majority of which would not get the chance to see them otherwise. Last season, we were able to help promote many of our twenty year-old players, and numerous "underage" members. This gives the WSHL in excess of 160 alumni currently playing NCAA hockey, not to mention the others competing at the highest level of ACHA club hockey. Moreover, there are dozens of former WSHL players currently earning a paycheck in the professional ranks especially in Europe.

This event would not be possible without the great owners of the various WSHL teams, who fund the cost of the Showcase, as well as take care of travel expenses for the numerous scouts in attendance. These owners have made a big commitment, all in hopes of moving their players onto the college or professional ranks, and they deserve recognition.

Lastly, we'd like to thank each and every one of the college hockey recruiters who have taken time out of their busy schedules to fly across the country in order to be here to scout players from our league. On behalf of the entire WSHL, I hope that you have a great time at the event, a safe trip home, a great Holiday Christmas Season and a Happy New Year!

Warmest Regards,

Western States Hockey League

- Ron White, Commissioner •
- Bob Armando, Deputy Commissioner •
- Carol Grinstead, Showcase Administrator •
