

# JUNIOR LIONS CLUB

*Recognizing Students who go "Above and Beyond"*

*The St. Louis Lions, the USL PDL Soccer team of St. Louis, would like to extend your school an invitation to join our Student Reward program! The St. Louis Lions want to reward kids for their outstanding effort in school by offering a ticket voucher that can be earned through our Junior Lions Program.*

## **About the St. Louis Lions**

- Founded in 2005, The team plays in the USL Premier Development League (PDL), the top developmental men's league in North America. The Lions will be entering their 11th Season in 2017.
- Over 70% of the MLS players are drafted from the PDL.
- They have currently placed 30 players into the professional ranks both domestically and worldwide.
- In 2011 the Lions officially became a partner with Celtic Football Club, of Glasgow, Scotland.

## **About the Junior Lions Club / Student Program**

- The Junior Lions Program is designed to enhance your school's current reward system by offering a ticket voucher that is good to any home game for the 2017 season!
- Our hope is that every student will have an opportunity to earn a voucher. There is no commitment from the school at all. It is simply the Lions way of recognizing kids in our community for going "Above and Beyond".
