

Cyclones Summer 2019 Registration!

We are looking ahead to a fun summer with some new additional options available. When ready, you can register [here](#). In order to guarantee your spot, please register as soon as possible. We have limited spots available for several events including only 1 team available for each of the IWLCA events, so make sure to register for those ASAP! As always, there is the option for practices only!

New this year, we will be offering Specialty 1 Hour Skill Group Clinics, these clinics will be scheduled before practices and will involve a coach and a small group (2-5 players) and a coach that will go over a specific skill in detail (shooting, draws, defense etc). Players may sign up for as many of these sessions as desired.
