USA HOCKEY SANCTION # PENDING

Divisions: Adult (Men & Women)

Levels: 4v4, Full-Ice Division (A and B Levels) - 3v3, Half-Ice Division (C, D and D2 Levels)

The Dallas Stars Tournament Series is governed by the rules of USA Hockey, and it is the responsibility of each player, coach and team to be familiar with these rules. In addition, there are specific procedures and policies that apply to the Dallas Stars Tournament Series. Please review and be familiar with these as well. All tournament games are played according to the rules of USA Hockey, except where noted.

LEVEL INFORMATION

Level A:

This level is for top players who have competed Pro, Junior, College and top amateur levels.

Level B:

This level is a step down from A-level, but still very skilled. Players may have some College, Pro, or Junior experience but are typically older.

Level C:

Players should not have Junior, College or Pro playing experience. Players may have played youth hockey, but should not have played about the Select A/B, high school or recreational level. However, there may be older players that played at higher levels when they were younger, that are now C-Level players.

Level D:

This level is for players who have learned to play as adults. Players may have played youth hockey, but should not have played above the recreational or JV high school level.

Level D2:

This level is specifically designed for players/teams that are leaving the Adult Learn-to-Play program and entering Adult Hockey. This level is primarily for those who have learned to play hockey as adults and a few players who played recreationally as youths and are getting back into the game.

A team may be required to move up a level if they are deemed too skilled by the Tournament Staff. The guidelines above will assist in determining if a team/player is too skilled for a particular level and are by no means a definitive criteria for play. All decisions regarding team/player eligibility made by the Tournament Staff will be final.

Players may not play in 3 different skill levels, nor may they play in a skill level that is more than one level up OR down. Even though the skill level of the participating players may differ from division to division, the Tournament Staff will treat all leagues as equal.

Players can only be rostered on 1 team and will NOT be allowed to play for multiple teams, regardless of what division the teams are in.

Players must be a minimum of 21 years of age as of the start date of the tournament.

NOTE: Body checking is not permitted in all levels of this tournament.

GAME RULES AND REGULATIONS

Specific Dallas Stars Tournament Rules and Regulations are outlined below. If a situation arises that is not covered by these Tournament Rules, then USA Hockey Rules and Regulations apply. All decisions of the Dallas Stars Tournament Series Director are final.

1. **Locker Rooms:** All teams must use assigned locker rooms posted at the front desk; on the rink TV monitors or at other locations throughout the rink. **It is highly recommended that the team lock the door to the locker room while their team is playing.** The Dallas Stars will not be held responsible for any items lost or stolen during the tournament. Locker room keys are available from, and must be returned to, the rink staff at the front desk. Locker rooms must be vacated and cleaned, within thirty minutes from the time a game ends. Keys may be picked up forty-five (45) minutes prior to your game time. Each team needs to ensure that locker room is clean (no remaining trash/tape/food/drink) prior to vacating it. **Team representatives are responsible for all damage done to the locker room or the facility.**
2. **Rosters:** Teams may have a roster of no less than 8 players and up to 12 players, plus a goalie (Max. 13). Only players (including goalkeepers) listed on the official Dallas Stars Tournaments team roster may play in tournament games. **All players must meet the age requirements of the tournament. Any team using a player suspended for any reason will forfeit that game (1-0) and the suspended player will be ejected for the remainder of the tournament. Suspended players may attend tournament games but are not allowed on the player bench area. In order for a player to be eligible to play in their team's playoff game, the player must play in at least 2 round robin games. **Game suspensions (prior to the tournament) carry over and still apply to the tournament games.**
3. **Game/Score Sheet:** Team representatives must check in before each game at the desk and mark any scratches from a game (player not dressing) that must be reported to the scorekeeper prior to the start of the game. **A copy of the score sheet may be obtained from the tournament website after the game concludes. Do not wait on the ice surface, or in/around the player's bench, penalty box or scorekeeping area for the score sheet. No hard copy game sheets will be handed out.** Each team representative is responsible for checking the accuracy of the score sheet. 7. **USA Hockey Officials:** All officials that oversee tournament games are certified by USA Hockey.

8. **Leveling:** Leveling within the divisions of the tournament requires a group effort between the Dallas Stars Tournament Department, as well as the Team Coordinators within their respective divisions. It is up to the Team Coordinators to maintain an appropriately-skilled roster that is suitable for the division in which his/her team plays. **You and your team must play at the level of your highest-skilled player.** The Dallas Stars Tournament Department reserves the right to suspend a player or team from a tournament or a season indefinitely and to keep the registration fees of any team or player caught playing in a division lower than what they qualify for. If a team is caught rostering players that are inappropriate for their division, the Team Coordinator will be issued a tournament suspension.
9. **Penalties:** Penalty times for all divisions will be as follows:
- a. Minor 2:00 minutes
 - b. Major 5:00 minutes

- *Penalties during running or stop time are of the same duration.**
10. **Body Checking Rule: Body Checking is not permitted during this tournament. All tournament games are non-checking.** The Tournament is not taking body contact out of the game entirely, but merely looking to remove the predatory hit from games. Any player committing hit that is on an opposing player, that is deemed to be predatory, will receive a double minor (4 minute penalty) and is subject to supplementary discipline. The interpretation of the call will be at the referee's discretion.
11. **Abuse of Officials:** Any player receiving an abuse of official penalty will receive a two (2) game suspension. The official will assess misconducts on a game-by-game basis. Any player who commits the following actions will be up for suspension:

 - b. Taunts or incites an official.
 - c. Physically interfering with an official.
 - d. Using obscene, profane or abusive language to an official.
12. **Misconducts:** Any fighting or match penalty will result in a tournament suspension. Game misconduct penalties will result in a minimum one game suspension. The Dallas Stars Tournament Series Director's decisions are final. Any players required to serve a suspension from prior USA Hockey game must complete suspension prior to playing first game, example: if a player incurred a suspension in his last game prior to the tournament this suspension must be served even if they must miss the first game of the tournament.

15 Team penalties in a game - Rule 401B	1 game suspension for Coach - Suspension is the next scheduled 1 game of that team currently appearing on the schedule at the time of the assessment.

Fighting Major Rule 615A-F	Tournament suspension

13. **Game Ejection:** Any Adult player who receives four (4) penalties in the same game shall be immediately ejected for the remainder of the game with no further suspension. Double Minor penalties will count as two (2) penalties for the purposes of the four (4) penalties in one game rule, except as indicated above. If the fourth minor penalty is co-incident, that player will not be ejected until a fifth minor is incurred. Such an infraction shall not carry any suspension unless the last penalty is a Game Misconduct or major. If a goaltender receives a game ejection for penalties, the goaltender will be allowed to stay in the game, and then will be suspended for the next scheduled game. Fighting will not be tolerated. A fighting penalty or other Major penalties may be grounds for expulsion from the tournament. A repetition in game ejections for any player or team can result in a suspension.
14. **Game Time:** All teams must be ready to begin play **fifteen (15) minutes** prior to the scheduled start time of each game, except for the first game each day. If a team is not ready to begin at that time, it will be given a one (1) minute grace period. If a team is not ready to start at the conclusion of the grace period, the game will be forfeited (1 - 0). Otherwise, the game will start at the conclusion of the warm-up period.

15. **Game (Period) Lengths & Format:** Tournament games are allotted as follows: **4v4, Full-Ice Division 3 Games Guaranteed. 3v3 Half-Ice Division 4 Games Guaranteed.** Format and Period length in tournament games will vary depending on division and level of teams.  - There will be no off-sides or icings called.
 - Commencement of a period, goals or puck out of play will result in a faceoff at the center of the half-ice sheet.
 - If a puck out of play from half-ice sheet A enters half-ice sheet B, half-ice sheet B will continue play uninterrupted, unless the puck results in a stoppage of play, injury or other action as determined by the Official, while half-ice sheet A will resume play with a faceoff at the center of half-ice sheet A.
 - Any stoppage in play related to a goaltender save will result with the puck being thrown into the corner by the Official to resume game play.
 - Any penalty will result in a penalty shot given to the non-offending team. The puck will be taken to the center of the half-ice sheet, and the player will have five (5) seconds to get set for the shot. The remaining players on both the offending and non-offending team should line up on the ice in front of their bench. If the player taking the shot is not set within the five (5) second time-frame, the player on the non-offending team will not be permitted to take the shot. If the penalty shot is missed and a save made by the goaltender, the play will be considered live and will continue until the next stoppage in play. In the event that a game is being played in an unsafe manner, the referee, at his/her discretion, can end the game at any point. A full report must then be forwarded to the Tournament Series Director.
16. **Gretzky Rule:** Any player, in any given game, cannot score more than 3 goals in that game. If a player scores a fourth goal in that game, that goal will NOT count and the player will receive a two (2) minute minor penalty for delay of game. 19. **Standings:** Points will be awarded in the following manner for all games (maximum points awarded for a win will be 3 points regardless of how it is achieved).
- | | |

| a. 3 Points | Win in Regulation |
| b. 2 Point | Shootout Win |
| c. 1 Point | Shootout Loss |
| d. 0 Points | Loss in Regulation |
20. **Ties in Standings:** In the event of a tie in the standings between teams, final results will be decided by:
1. Most Wins
 2. Head to Head record between tied teams
 3. Fewest goals against in all Games
 4. Fewest Penalty Minutes in all Games
 5. Highest Goal Differential (Goals scored minus Goals against)
 6. Coin Flip

SHOOTOUT PROCEDURES:

IMPORTANT: Only Championship games that end in a tie shall first use a five (5) minute (sudden-death) run-time, 3-on-3 (plus goalie), period to determine a winner. If the game remains tied after overtime a shootout will be used to determine a winner as outlined below:

- a. Each team will select three (3) players to participate in the shootout. If a player is injured or is serving a penalty and unable to participate in the shootout the next eligible player is entitled to participate. Once a player shoots he/she is no longer eligible to participate until every player on the bench (excluding goaltenders, players serving penalties or players that are injured) has participated at least once.
- b. In the first round, players from each team will alternate shots, **with the winner of a coin toss shooting first.**
- c. Players will start at center ice and will begin play at the direction of the referee. Goalkeepers must remain in their crease until the shooting player has started play by touching the puck.
- d. Players are allowed one shot/shooting attempt only.
- e. After all six (6) players have finished their attempts; the team with the most goals is declared the winner.
- f. If, after all six (6) players have finished their attempts, the game remains tied; each team will start the second round by selecting one (1) player, who has not yet participated in the shootout, to take a turn. The shootout will proceed one player at a time with each team having an equal number of turns; the home team shoots last in each round. One turn for each team constitutes a round. Only after all players (not including goaltenders and players serving penalties) listed on the game score sheet have participated may a player take a second turn. During the second round and beyond, the team that scores first, with the other failing to score, is declared the winner.
- g. Ensure you scratch all players (on the game score sheet given to the scorekeeper) who will not participate in the game. Any team listing a player on their game score sheet that is not dressed for the game will forfeit the game when that player becomes eligible to shoot during the shootout.
- h. **Player(s) serving a penalty are not eligible to participate in the shootout.**
